Profile Summary

Creative designer and developer with 6+ years of corporate experience, including 3 years in customer service and 3+ years in UX/UI, front-end development, and SharePoint solutions. Skilled in building sleek websites and interactive infographics that enhance engagement and usability.

Experience

Ernst & Young GDS

Associate – Digital Producer | Sept 2022 – Present

At EY, responsibilities include designing and developing interactive SharePoint sites, dashboards, and infographics to enhance user engagement. Contributions also extend to video editing for internal campaigns and knowledge platforms, ensuring polished and impactful visual content.

No Broker

Customer Service Representative | Dec 2018 – Feb 2022

At No Broker, responsibilities included handling customer queries via phone and email, ensuring prompt and effective support. Daily and weekly reports were maintained to track conversions and performance metrics. Property listings were also verified for accuracy and consistency, helping uphold quality standards across the platform.

Education

2020 BIS College of Engineering & Technology
Punjab Technical University

Bachelor of Technology, Computer Science & Engineering

Explored programming, web development, and data analysis through academic projects and tech events, which sparked my interest in UI/UX and digital design.

Honor & Award

2025 Recognition Certificate from Global Vice Chair

Was invited to receive a certificate from Hanne Jesca Bax during a global webcast, an occasion marked as a proud professional milestone.

2025 Exceptional Client Service (ECS) Award

Received the ECS award for consistently delivering high-quality work that made a strong impact on clients.

Certifications

2024 Design Thinking

Earned the Design Thinking Bronze Badge, demonstrating a strong foundation in user-centered problem solving. The badge covers key areas such as empathy, ideation, prototyping, and testing, enabling a more creative and collaborative approach to challenges.

2024 Digital Media & Marketing Principles

Completed the Digital Media and Marketing Principles course, gaining insights into how digital technologies are reshaping marketing communication. The course covered how businesses leverage smart, social, and mobile media to engage consumers and adapt strategies in the digital age.
